

Office of Congressman Dean Phillips

Surface Transportation Reauthorization Project Request Form

Return completed form and required documentation to: Imani.Augustus@mail.house.gov and Zach.Rodvold@mail.house.gov

Due Date: April 15, 2021

Note: Projects must be listed on the STIP or metropolitan TIP to be eligible for consideration. If you are unsure whether your project is eligible, please consult with MNDOT prior to submitting. It is important for all information to be complete and accurate. It is also important to know that funds will be limited. Priority will be given to projects with demonstrated ability to be completed during the 5-year reauthorization window. If you have questions about the reauthorization or project review process, please contact Imani.Augustus@mail.house.gov to discuss.

Entity Requesting Funds (e.g. non-federal project sponsor):

Primary Point of Contact (name, email, phone number, organization address):

Project Priority (if non-federal sponsor is submitting more than 1 project):

Attach documentation that the project is on the State, Tribal, or territorial transportation improvement program (STIP); and on the metropolitan transportation improvement program (TIP), if applicable.

Requested description of the project to appear in bill (example: *Widen Route A from Main Street to Highway B, YourTown, MN*):

Total Project Cost (including breakdown of federal/non-federal shares):

Requested Amount:

Sources of funding for the full share of the cost of the project if amount received is less than amount requested:

Attach letter(s) of support from the State department of transportation, or local government, transit agency, or other non-Federal sponsor, including commitment to finance the remaining project cost within the reauthorization window.

A description of the process that has been or will be followed to provide an opportunity for public comment on the project:

Project phase (e.g. Planning, Final Design, Construction):

NEPA category of action (e.g. Categorical Exclusion, Environmental Assessment, Environmental Impact Statement):

Status of environmental review:

Whether the project has received Federal funding previously, and if so, the source and amount:

Complete Description of Project:
